JOIN PASTA REA & CREATIONS IN CUISINE CATERING AS WE RAISE FUNDS TO FEED THOSE ON THE FRONT LINE OF THE BATTLE WITH COVID-19. WITH YOUR HELP WE PLAN TO FEED AS MANY DOCTORS, NURSES AND HOSPITAL WORKERS AS POSSIBLE.

Join PASTA REA and Creations in Cuisine Catering as we raise funds to feed those on the front line of the battle with COVID 19. With your help we plan to feed as many doctors, nurses and hospital workers as possible. Each week PASTA REA will donate \$1 for every pound of selected pasta, sauce and weekly specials sold. When we reach our goal we will supply a full catered meal for a selected medical facility in our community. We will also be accepting cash donations to help reach our goals sooner or to enable us to cater to more than 1 deserving group of heroes. Look for our weekly email notifications or just give us a call to find out what's on the boil for this week. We encourage pre orders which will be packaged in a tamper proof bag for a limited contact transaction. We would also like to thank you all for your continued support for both PASTA REA and Creations in Cuisine Catering during this time of uncertainty for our industry.

Imagine the possibilities as we come together to help those that are helping us.
